## Part 6: Application Declaration Form

### Declaration by Applicant

#### Temporary ECS Licence

I hereby certify that the information provided in this Application is, to the best of my knowledge, true and complete and I accept that the provision of incorrect or misleading information, or mis-declarations in this form, may render this Application, and any Temporary ECS Licence granted on foot of this Application, null and void.

In accordance with the Wireless Telegraphy Act of 1926, as amended, I accept responsibility for the installation and maintenance of the Wireless Telegraphy apparatus.

I accept that the grant of a Temporary ECS Licence does not confer any right of ownership of the frequency spectrum to which the Licence relates, and agree to abide by all conditions of the Licence and any direction made by the Commission for Communications Regulation (ComReg) from time to time.

I confirm that the Applicant is fully aware that the Temporary ECS Licences are being made available solely to accommodate the claimed unanticipated spike in demand arising from the extraordinary situation relating to COVID-19, that all Temporary ECS Licences granted or renewed under the Regulations will expire on or before 6 months from the date of the Regulations and that the longer term questions of assignment of spectrum rights of use in the 700MHz Duplex and 2.6 GHz Band, liberalisation of rights of use in the 2.1 GHz Band and assignment of new rights of use in that band will be determined through such an award process as ComReg shall determine to be appropriate. I further confirm that the Applicant identified herein will take full account of this in making any investment or marketing decisions and will not seek to argue that any such decisions made as a result of the grant of a Temporary ECS Licence give it any expectation of favourable treatment with regards to access to liberalised rights of use in those bands.

I accept that ComReg may publish and/or make available information relating to Temporary ECS Licences and certain information relating to this Application may be contained in such publications.

I confirm that no change will be made in any of the foregoing without the prior approval of ComReg.

I certify that I am duly authorised by \_\_\_\_\_ to make
