Figure 1: Split of contacts to ComReg’s Consumer Care by channel Q1 2022 – Q1 2023

<sup>4</sup> The contact channel ‘Other’ includes contacts received by letter and SMS. For further details on ComReg’s Consumer Care contact channels, see Annex 1.

## 2.2 Consumer Care Survey

Consumers who contact ComReg’s Consumer Care via phone are presented with the option to provide feedback through a phone or e-mail survey. The survey consists of four questions, three of which pertain to the consumer’s experience with ComReg (for queries and complaints), and one of which pertains to the consumer’s experience with their operator (for complaints only). Consumers are asked to rank their responses using a scale of 1 to 5<sup>5</sup>.

In Q1 2023, consumers completed 534 phone surveys in relation to queries, 438 phone surveys in relation to complaints, and 99 e-mail surveys in relation to complaints. Figure 2 below outlines the questions contained in the survey and the average ratings received in Q1 2023.

**Figure 2: Consumer Care Survey ratings Q1 2023**

<sup>5</sup> Consumers respond to the questions outlined in Figure 2 by pressing 1 – 5 on their telephone keypad (for telephone surveys), or by selecting a rating of 1 – 5 through a weblink (for e-mail surveys). 1 is the lowest option available to choose, thus expressing dissatisfaction, and 5 is the highest option, expressing satisfaction.
