**Television Deflector Licence – Additional clause in licence
issued to Dropvale Ltd.**

Clause 3(b).

Without prejudice to the Director's general discretion to decide whether or not this licence should be renewed after 31 December 2000, the Director may in her absolute discretion decide in particular not to renew the licence after that date if she is of the view that to do so might injure the adoption of cable services in the licence area or prejudice the implementation of the Director's policy towards the general encouragement of cable networks.
